SAFETY ALERT!

INCIDENT#: INC-01878

DATE ISSUE: 08/09/2023

SAFETY ALERT#: 019

TREES/OBJECTS ON ROADS

DATE: 05/09/2023

TIME: Approx 6.00am

SITE/BU: Roothing

LOCATION: Goudies Road- Kaingaroa Forest

PLANT TYPE: Light vehicle

DESCRIPTION OF INCIDENT

While travelling to work at approximately 6:00 am on Monday (just before sunrise), a vehicle heading south on Goudies Road near Burn Road, has impacted and passed underneath a large tree obstructing the road. The driver, who was the sole occupant, sustained moderate but fortunately not life-threatening injuries. The vehicle was severely damaged (as can be seen in the photograph).

CAUSE OF INCIDENT

This incident is currently under investigation.

PREVENTATIVE MEASURES

- Always wear your seat belt
- Always expect the unexpected
- Be fresh and focused when driving to work, refocus on the drive ahead when travelling home.
- Always drive to the conditions and be able to stop in half the visible distance (ACOP 2.11.3)
- Reduce speed in dark, dusty, and foggy conditions.
- Engage high 4wd when on gravel roads if available.
- Assess the visible distance when on low and high beam.
- Familiarize yourself with the braking capabilities of your vehicle.
- Keep your vehicle windscreen and windows clean.
- Do not have loose or heavy objects within your vehicle cab. Ensure that any such items are safely secured or stored separately from the vehicle's occupants.
- Ensure drivers are trained for unsealed road surfaces.
- Consider driver behavior monitoring software: e.g., E-Road, SmartTrack
- be courteous to drivers going in opposite direction by slowing to minimize dust and stones being thrown at vehicles going the other direction.

PLEASE DISTRIBUTE TO ALL WORK SITES

This Safety Alert must be posted on all notice boards and delivered at Toolbox Meetings
